Re: Invitation to Review Plans, Then Walk Reaches 1, 1A, 2, and 3 in The Glade
WSSI #20030

We are writing to anyone interested in reviewing the restoration plans for Reaches 1, 1A, 2, or 3 in The Glade, followed by a walk of the respective reaches. There will be 2 such sessions, one Saturday, **January 10, 2009** and the other on Saturday, **January 17, 2009**.

Each plan review session will be conducted at the main conference room in Reston Association's office at 1930 Isaac Newton Square, from 9:00 AM until 12:00 Noon. Both WSSI and RA staff will also be available to answer any questions. For those who sign up in advance (by the 7th and 14th respectively), we will also provide a box lunch.

Following the plan review session, we will walk each of the reaches, starting at 1:00 PM at the tennis court on Colts Neck Road. Please be sure to wear appropriate footwear (waterproof boots to walk in the stream) and clothing particularly suited to protect against greenbriar, which is abundant in some areas.

In order to ensure that we have an adequate number of plan sets, staff, and lunch available, please e-mail (restoninfo@wetlandstudies.com) the number in your group, the review session you will be attending, and whether or not you would be interested in a box lunch. If you also provide an e-mail contact – future correspondence will be electronic. Thank you and we look forward to seeing you at the review sessions.

Sincerely,
