

MEMORANDUM

To: Reston Residents Interested in Stream Restoration

From: Larry Butler – Reston Association
Mike Rolband – Wetland Studies and Solutions, Inc.

Date: September 1, 2009

Re: First Review of Final Plans for *Reaches 5 and 6* of The Glade
New Notification Protocol
WSSI #20030

We invite you to join us for the first review of the Final Plans for Reaches 5 and 6 of The Glade stream:

Location: The Basketball Court off of Hunting Horn Lane (see attached map) – we will have a tent and tables set up on the court for plan review and a lunchtime cookout.

Time: 9:00 AM – 2:00 PM (earlier if rain precludes walk)

Date: Saturday – September 12, 2009

Note – If you can't make this one, there will be a second meeting on 9/26 (same time and place).

Reach 5 starts at Soapstone Drive (across from the fire ring) and ends just upstream of the beaver area. Reach 6 starts below the beaver area and continues downstream to Twin Branches Road. A map of this area is attached to better illustrate the subject reaches.

The purpose of this meeting is to:

1. Show you the Final Plans that reflect the final design that has incorporated citizen comments received to date as a result of the Preliminary Plan process.
2. Walk the streams (be prepared for stickers, mud, and walking in water) and access areas to visualize them in conjunction with the Final Plans. The limits of clearing will be flagged in advance, as well as all the trees proposed to be removed.

In addition to inviting you to the Reach 5 and 6 Final Plan Review, we also wanted to provide information on future project notifications. Due to complaints to RA about the volume of mailings (which was a requirement imposed upon Northern Virginia Stream Restoration, L.C. by the Design Review Board in response to citizen requests), future mailings concerning stream restoration will only be sent to the owners of property adjacent to the affected reaches and to registered affected parties. If you wish to continue receiving these mailings even though you are not an owner of property adjacent to the affected reaches or a registered affected party, please contact us at restoninfo@wetlandstudies.com.

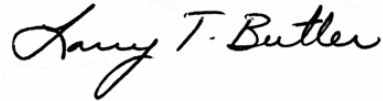

Reaches 5 and 6 Final Plan Review
September 1, 2009

We look forward to seeing you on September 12, 2009. To make sure we have the appropriate number of staff, snacks, and lunch, please e-mail your name(s) if you plan to attend to restoninfo@wetlandstudies.com, ideally by September 9, 2009. If you have comments, but cannot attend, please send them to the email above.

Sincerely,

Michael S. Rolband, P.E., P.W.S., P.W.D.
Manager, Northern Virginia Stream Restoration Bank
President, Wetland Studies and Solutions, Inc.

Larry T. Butler
Reston Association
Director of Parks and Recreation
